

Adair Associates
traditional skills - forward thinking
**CHARTERED SURVEYORS &
 CONSTRUCTION CONSULTANTS**

Welcome to Adair's first newsletter

We hope you had an enjoyable 2010 and would like to wish you every success in the coming year.

Over the past 12 months we have worked on some very exciting projects, both in the UK and abroad, and continued to expand our team of expert professionals. We are also proud to announce the simultaneous launch of our new website (just click here) and our electronic newsletter.

So it's a New Year and a new look for Adair. We hope you like it.

Justin Sullivan *Principal*

Our new website

With its fully updated content and improved user-friendly format, we hope you will find our new website interesting and informative.

New project: extension and refurbishment..

Adair Associates is currently working on this

Congratulations...

...to Mike Garnham and Mark Passfield for passing their APC and becoming RICS Chartered Surveyors.

Offices

Adair now have an office in Gibraltar and will be opening their London office in Mayfair very soon. Watch this space!

New team members

We would like to welcome Suzanne Flanagan (Quantity Surveyor) and Michelle Pettyfer (Office Assistant) both of whom joined our team recently.

RICS UK QS / Construction Board

Justin Sullivan has recently joined the RICS UK QS/Construction Board.

RICS matrics UK Board

We are pleased to announce that Harry Paul is now a member of this board,

major extension and refurbishment in Esher. We are acting as Quantity Surveyor and CDM Co-ordinator on this commercial development.

Dispute resolution

Within the past two months, Adair has been instructed as expert witness on two occasions and has been successful in four separate adjudication actions.

Why not look at the dispute resolution section of our new website [here](#).
